From a London paper of April 7. Tuesday the Trincomalee, 46. Captain P. H. Bridges, (late Challenger,) arrived at Portsmouth from the East Indies, via St. Helena; & sailed from thence the 30th January, and Ascension 8th February; touched at Fayal the 19th March, and left it on the following day By her came passenger, Mr. Stokee, Surgeon of the Conqueror, and lat terly the medicinal attendant on the person of Bonaparte. The cause of the sudden return of this officer to England, is stated in the follow

ing letter .- Star. "St. Helena, Jan. 29, 1819.

"There has been no occurence here of any interest to our friends at home, for sometime; all has been as vapid and monotonous as the haroour duty on a home station, only with far greater privations. But, at length a buz has been created-Mr. Stokoe, the Surgeon of the flag ship whom Bonaparte accepted as his medical attendant, after the return home of Mr O'Meada, has invernor, and returns to England in the Trincomalee. The facts are, I understand-When Mr Stokoe con-sented to succeed Mr. D. Meara, & before he nad made any visit to Bo-naparte, he made it the sine qua non of his accepting the situation. with Sir. Hudson Lowe, that he should not be required to detail any familiar conversation into which he might be drawn, of any circumstances which he might overhear at Longwood; but ledging himself as a British officer, that if any thing should come to his knowledge in which his alleggings to his knowledge in which his allegiance to his king and country should be compromised by his secrecy, he would then give information to the governor. This at Messina, after a tedious illness, on the 6th Mart.

on the 6th Mart.

Gibraller, March 30.

has passed or until a few days since when Bonaparte was suddenly seized with serious illness, in the mid dle of the night. Mr. Stokoe, as ed with serious illness, in the mid dle of the right. Mr. Stokoe, as soon as the necessary forms were gone through, visited him and found that he had a slight apoplectic fit. After a few nours he appeared free from the stack, but it had left a considerable degree of indispositi-on. Mr. Stokoe made official reports of the circum tances to Sir Hudson Lowe and the Admiral (Plampin.) and gave copies of them to Bonaparte. Whether it was this latter corcumstance or whether Mr. had represented Bonaparte Stokoe as being in a worse state of health tnan si ted the predisposed notions of Sin Iudson, is not known; but he wis instantly forbid to go to Long vood-was threatened to be tried by a court martial-or, as an tried by a court martial—or, as an Planes, Clothes do.
act of mitigation he was told he Do & do Smoothing White Wash do might invalid home. Of course he preferred the fatter, as the least incommodious to him, and he sails to-morrow in the Trincomalee. The reports were drawn up, of course, with conscientious accuracy; and were such as the case demanded. I understand Bon three is really in a serious state of health. His dwel-

ling is sealed against all visitors."

On Thursday evening last, by the Rev. Mr. GIST, JAMES HUNTER, ESQ. to Miss MARY MILLER.

. In Battimore, on Sunday evening last, by the Rev. Thomas Burch, Mr. Benjamin Sewell, of this city, to Miss Mary, daughter of John Smith, Esq. of the former place.
